NO LTC# 090-2013

LETTER TO COMMISSION

TO:

Mayor Matti Herrera Bower and Members of the City Commission

FROM:

Kathie G. Brooks, Interim City Manager

DATE:

March 18, 2013

SUBJECT: Earth Hour 2013

This Letter to Commission is provided to invite you to participate in Earth Hour.

At 8:30 p.m. on Saturday, March 23, 2013 lights will be switched off around the globe for Earth Hour. Earth Hour is an annual international event organized by the World Wildlife Fund (WWF) to raise awareness of climate change and to encourage people, communities, municipalities, and nations to address the issue through proactive changes. The City will observe Earth Hour by turning off all non-essential lights in City facilities located in the City Center from 8:30 p.m. to 9:30 p.m. We encourage our residents to participate in the event by switching off lights in their homes or businesses and keeping them off for at least one hour.

As always, please let me know if there is any additional information that staff and I can provide.
